

with jennifer priest, mcc faculty

Additional Supplies & Tools:

- Adhesive (Glue dots and tape runner)
- Strong Glue – Glue Gun Recommended
- 3D Foam Adhesive Circles
- Bind It All Machine (BIA)
- White Acrylic Paint
- Glitter
- Watermark Twinkle Ink (or watermark ink) and Snowflake Stamp
- Smooch Spritz in Ginger Ale or Vanilla Shimmer
- Distrezz-it-All or edge distressor
- 1 and 3/8” Circle Punch
- Red Glitter

Notes:

- CB = Chipboard
- PP = Patterned Paper
- BIA = Bind It All

1. Stamp the Kraft Star with Watermark Twinkle Ink using a snowflake stamp. Set aside to dry.
2. Cut apart all of the cards and strips from the 12x12 Journal Cards Papers in the kit. Distress edges as desired. Set aside.
3. Pages are paperclipped in order and as they are to be adhered to the chipboard. Adhere paper to the chipboard in order.
4. Assemble the book working from the back to the front to help keep the pages in order.
5. Back Cover/Page 22: Adhere 6x12

papers to front and back of a 6x12 chipboard. Set BIA to “C” and slide page in so the bottom of the page is touching the stop guide tab (set to “C”) and Newsprint PP is facing away from the handle.

papers to front and back of a 6x12 chipboard. Set BIA to “C” and slide page in so the bottom of the page is touching the stop guide tab (set to “C”) and Newsprint PP is facing away from the handle.

Punch 6 holes. Move the stop guide tab to "A" and slide the page to the right. Put the black peg on the back of the stop guide into the 5th hole punched. Punch again to make 6 more holes. Thread onto O-Wire so the Newsprint PP is facing up. Set back cover/Page 22 aside.

6. Lay O-Wire vertically (laying north to south) on the table with the small loops of the O-Wires to your right and the square loops of the O-Wires to your left.
7. Page 20/21 and 18/19 (envelope): Punch 5 holes with the BIA in the bottom of the coin envelope and thread onto the bottom of the O-Wires. Adhere strip of brown 2x6 paper to the top of a 6x6 CB and 4x6 ledger paper to the bottom (page 21). Flip over and adhere Santa Neutral Print paper to the other side (page 20). Set BIA to "C" and slide page in so the bottom of the page is touching the stop guide tab (set to "C") and the Santa Neutral Print paper is facing away from the handle. Punch 6 holes. Thread onto O-Wire so the Santa Neutral Print paper is facing up.
8. Page 16/17: To 6x10 CB adhere 6x10 Brown Words PP and 6x10 Multi-Color Motif Paper to front and back of page. Set BIA to "C" and slide page in so the bottom of the page is touching the stop guide tab (set to "C") and Brown Words PP is facing away from the handle. Punch 6 holes. Move the stop guide tab to "A" and slide the page to the right. Put the black peg on the back of the stop guide into the 5th hole punched. Punch again to make 6 more holes. Thread onto O-Wire so the Brown Words PP is facing up.
9. Page 14/15: To 6x6 CB adhere 6x6 Santa Neutral Print paper and 6x6 Green Damask PP to front and back. Set BIA to "C" and slide page in so the bottom of the page is touching the stop guide tab (set to "C") and Green Damask PP is facing away from the handle. Punch 6 holes. Move the stop guide tab to "A" and slide the page to the right. Put the black peg on the back of the stop guide into the 5th hole punched. Punch again to make 5 more holes. Thread onto O-Wire so the Green Damask PP is facing up.
10. Page 12/13: to 6x8 CB Adhere Silver stars PP to the back (pg 13). On front (pag 12) adhere 2x6 strip Red PP to the right side and 6x6 Striped PP to the left side of page. Set BIA to "C" and slide page in so the bottom of the page is touching the stop guide tab (set to "C") and Striped/Red PP is facing away from the handle. Punch 6 holes. Move the stop guide tab to "A" and slide the page to the right. Put the black peg on the back of the stop guide into the 5th hole punched. Punch again to make 5 more holes. Thread onto O-Wire so the Striped/Red PP is facing up.
11. Page 10-11: Insert paper bag bottom into BIA. Set BIA to "C" and slide bag in so the side of the bag is touching the stop guide tab (set to "C"). Punch 6 holes. Move the stop guide tab to "A" and slide the bag to the right. Put the black peg on the back of the stop guide into the 5th hole punched. Punch again to make more holes. Thread onto O-Wire so the flap side of the bag is facing up.
12. Page 8-9: To 6x8 CB (vertical) adhere 6x8 Multi-Color Motif Paper to the back (page 9) and 6x8 Brown Words PP to the front (page 8). Set BIA to "C" and slide page in so the bottom of the page is touching the stop guide tab (set to "C") and Brown Words PP is facing away from the handle. Punch 6 holes. Move the stop guide tab to "A" and slide the page to the right. Put the black peg on the back of the stop guide into the 5th hole punched. Punch again to make 5 more holes. Thread onto O-Wire so the Brown Words PP is facing up.
13. Page 6-7: Punch side of Bag (color varies, silver in pic). Insert paper bag side into BIA. Set BIA to "C" and slide bag in so the bottom of the bag is touching the stop guide tab (set to "C"). Punch 6 holes. Move the stop guide tab to "A" and slide the bag to the right. Put the black peg on the back of the stop guide into the 5th hole punched. Punch again to make more holes. Thread onto O-Wire – side facing up does not matter.
14. Page 4-5: To 6x6 CB Adhere Striped PP to the back (page 5) and Silver Stars PP to the front (page 4). Set BIA to "C" and slide page in so the bottom of the page is touching the stop guide tab (set to "C")

and Silver Stars PP is facing away from the handle. Punch 6 holes. Move the stop guide tab to “A” and slide the page to the right. Put the black peg on the back of the stop guide into the 5th hole punched. Punch again to make 5 more holes. Thread onto O-Wire so the Silver Stars PP is facing up.

15. Page 2-3: Punch 6 holes in the bottom of a kraft tag and thread onto O-Wires.

16. Page 1/Cover: Punch 4” side 4x6 Acrylic Page. Insert 4” side of the acrylic page into BIA. Set BIA to “C” and slide page in so the 6” side of the page is touching the stop guide tab (set to “C”). Punch 6 holes. Move the stop guide tab to “A” and slide the page to the right. Put the black peg on the back of the stop guide into the 5th hole punched. Punch again to make 5 more holes. Remove the protective coating on both sides of the page. Thread onto O-Wire – side facing up does not matter.

17. Page 22/Back Cover: Thread onto O-Wires.

18. Set the Bind-it-All channel for 1” O-Wires. Close the wires in the channel (refer to BIA directions).

19. Decorate!

Cover: Adhere buttons in a tree pattern to acrylic page. Add Star and Merry Christmas with hot glue. Tie ribbons to the spine of the book and add bling with a jump ring.

Page 1 -2: Adhere tinsel to the stocking sticker and glue behind the Christmas tree on the acrylic page. Add Merry Sticker, Page 2 (tag) is blank.

Page 3-4: Adhere Noel and Flourish sticker to tag. Ruffle strip of striped paper from Journal Cards sheet and adhere to left side of page 4. Add star and Deck the Halls sticker to the right side of the page. Add star stickers (not visible in pic) to the top of the ruffled strip.

Page 5-6: Adhere red ribbon to left side of page 5 and add a bow. Adhere scrap of paper to the back of sticker from page 4. Add Peace on Earth and holly stickers, plus a word strip sticker. On page 6 (bag) add two of the journal cards (backs facing out) and stickers as shown.

Page 9-10: Punch 8-10 circles from scrap of green paper. Add Stickers and circles as shown. Fold over scrap of red paper over the bag flap and glue sides to make a pocket. Insert journal card (varies) and add stickers.

Page 7-8: To bag add Santa journal card, merry stickers and garland sticker. To Page 8, add cupcake liner folded in half to right bottom side of page, Cut mittens from red glitter felt and add to the cupcake liner. Cut chenille stem in half and fold in half – add to bottom of mittens as trim.

Page 11-12: Add cupcake liner (half), journal card, and stickers to the back of the bag. Add Small Red 3D Foam circle to Rudolph's Nose and add red glitter to the top. Page 12 add ruffled strip of grey paper to the right side of page with journal card

and cupcake liners to the top.

Page 13-14: Add cupcake liners and journal cards as shown. Add Santa's Coming sticker to top of page 14.

Page 19-20 Adhere the Sticker to the tag. Page 20 blank.

Page 15-16: Add cupcake liners, journal cards, and stickers as shown.

Page 17-18: Add cupcake liners, journal cards, and stickers as shown. Page 16 is front of envelope.

Page 21-22: Adhere ribbon and stickers to page 21. Add ribbon and stickers to page 22, tying a bow at the top of the page.

Edge all pages and elements with white acrylic paint as desired. Spray book with Smooch Spritz to add sparkle.

Apply acrylic paint directly to some of the tops of pages and elements, allowing to drip. Sprinkle with glitter while still wet and set aside to dry for several hours or overnight.
